

dylan O'BRIEN

This *Teen Wolf* star isn't just eye candy—he's a big goofball! A hot guy who can make you laugh? Yep, he's pretty much perfect.

17: You have a rep for being a jokester on set. What makes you laugh?

DO: I love being goofy and making senseless jokes. You can either laugh with someone or you can't, you know? It's a connection you feel right away.

17: When you're not working, what do you do for fun?

DO: I'm a pretty good bowler! I grew up in New Jersey, and my friend who bowls professionally taught me. I go a lot with the *Teen Wolf* cast, and it's always a blast.

17: What's the one piece of love advice you wish all girls knew?

DO: That we expect a lot less than they think! Girls sometimes try to impress someone they like so much that they throw out the possibility of that person liking who they *actually* are.

17: Describe the most embarrassing thing that's happened in front of a crush.

DO: Farting in front of a girl is just the most awful thing for a guy in high school. It happens to every single one of us! It's the *worst*.

WHERE TO FIND HIM Catch Dylan on *Teen Wolf* every Monday at 10 P.M. ET on MTV, and watch him in *The Maze Runner*, hitting theaters next year.
